

## SUSTAINABILITY POLICY

### I: PURPOSE AND SCOPE

Red Fox Historical Archery is committed to providing as sustainable a service as is possible and through sustainable practise minimise its impact on the environment. Our aim is to create an enduring legacy within the communities we serve and to do so while being environmentally responsible and energy efficient.

### II: OBJECTIVES

- Deliver sustainable services
- Have satisfied clients
- Enable our employees to perform their roles with limited environmental impact
- Make a positive contribution to the communities in which we work
- Protect the environment by utilising natural and sustainable materials where possible.
- Reuse and recycle materials where possible
- Reduce our energy consumption and enhance our environmental performance
- Maintain a local supply chain
- Ensure our sustainable approach is applied to all new services

### III: CLIENTS

- Through our commitment to sustainability we enable our clients to enjoy and partake in sustainable activities

### IV: PEOPLE

- Ensuring that our teams through training and best practice maintain the vision Red Fox Historical Archery has for sustainable business

### V: SOCIAL VALUE

- By pursuing learning and educational opportunities and by ensuring accurate and authentic teaching is provided at all times we aim to increase societal value
