I: GENERAL

- All of our outdoor experiences and events are weather dependant. We will make every effort to fulfill your booking but if we feel the weather isnt suitable or poses a danger to staff or the public we will have to cancel the activity. If possible we will aim to reschedule.
- If ever we feel our staff are in danger they will be removed from the situation
- Children under the age of 16 should always be accompanied by an adult
- Wear clothing that covers your arms and legs and try to avoid Loose fitting tops.
- Scarves, large earrings and facial jewellery must be removed.
- Long hair should be tied back.
- Wear suitable footwear Flat soles with covered toes such as boots or trainers would be most appropriate. Sandals and high heels are definitely not suitable.
- We operate a strict no alcohol, no drugs policy. If you're not safe you don't shoot.
- No one should ever be in front of the archery line when shooting is taking place.
- If multiple archers are shooting they must be alongside each other straddling the shooting line.
- Never point an arrow at another person and certainly never aim a drawn bow at someone.
- Never shoot an arrow straight up in the air.
- If *anyone* shouts the word "FAST" it is not safe to "Loose" the arrow. You must lower the bow and remove the arrow from the string.
- Never "Dry Loose" a bow. That means to release the sting without an arrow on the bow. Without an arrow on the string the stored energy can snap the bow.
- Never approach the target to collect arrows unless given the command to do so, other archers may still be shooting.
- Don't Run to collect.
- When going to collect arrows beware of arrows in the grass.
- Never walk straight towards your target, If you do trip you could fall face first into the arrows.
- Stand to the side of the target when pulling arrows out of the boss.
- Check that nobody is standing directly behind you before removing an arrow.
